What did I like? The atmosphere, the calmness, the overall flow and smooth transition between activities, the food, the expertise and big hearts of our guides, the stunning beaches, and the synchronicity of it all including the participants. Definitely a repeat soon!

"Souldreamer"

Ich bin 50 Jahre und war mit 20 das letzte Mal alleine im Urlaub. Ich brauchte ne Auszeit wollte reiten ein bisschen Yoga machen und meditieren. Ich bin nicht besonders spirituelle und wollte keinen pauschal Urlaub. Was ich bei Jim und Claudia fand war eine Reise zu mir . Ob das schöne Tippi mit dem kuscheligen Bett, das Bad, die Farm, die leckere gesunde Diät für die ayarhusca Zeremonie, die täglichen Ausflüge zum Strand (jeden Tag ein anderer) , das Yoga, die Meditation, die Klangschalenterapie, die Pferdetherapie aber vor allem die wunderbaren Menschen die ich kennen lernen durfte haben mich inspiriert und den Urlaub außergewöhnlich gemacht. Eine unfassbar tiefgründige und schöne Erfahrung. Claudia und Jim mit ihrem Einfühlungsvermögen und ihrer liebe bei allem was sie tun haben mir das Gefühl gegeben zur richtigen Zeit am richtigen Ort zu sein. Unbezahlbar und wunderbar. Einfach nur sein 🙏 Ich bin seid 2 Wochen zurück und arbeite wieder, fühle mich aber immer noch erholt und beschenkt für diese besondere Erfahrung.

"Amazing experience! Highly recommended :) "

This week with Claudia and Jim was truly special and exactly what I needed! From the moment I got there, I felt at home. I really enjoyed the different activities we did throughout the week and particularly loved the Equine Therapy session. Claudia is an amazing cook and prepared the most delicious meals always including a vegan option :) The whole week was relaxing and grounding and helped me find some peace, rest and clarity. I highly recommend joining this retreat and I am already looking forwards to coming back in the future :)

"Life affirming "

I was extremely pleased with the entire experience. I am a 74 year old American /Puertorican woman. I had lost my husband 2 months earlier. This was my first Ayahuasca experience. I was seeking more spiritual connection, processing of my loss, and integration, and preparation for the next chapter of my life. I experienced much love and peace during the ayahuasca journey and feel I have become more open to everything life has to offer. I learned a lot of what I already knew but in a deeper and more real manner. Claudia and Jim conducted the week with much care and tenderness. The food was the best I had in Portugal and the daily hikes to the beach was exactly what I needed to experience Portugal in all its beauty and majesty. It was perfect. The accommodations while rustic were comfortable and very clean. I am very grateful to Claudia and Jim for the experience they provided. Namaste

"A Unique Journey"

I liked everything about the instructors, amazing in their presence, the way they welcomed us, the warmth, the attention, the caring - and the journey was a magnificent ordeal. A hymn to "surrender"

I loved every moment of it. The instructors were amazing. Caring, well-grounded, warm, attentive, transmitting peace and security. The only thing, and this is more of a joke on myself - I missed the meat and the salt for a while. It took me some getting used to for 2 or 3 days. On the other hand you could feel the love and creativity that was put into every meal, every day.

" 🙏 ❤️ ✨ "

This week is unforgettable, beautiful and amazing. Claudia and Jim are one of the most authentic and heartwarming people I have ever met. They created a week of awareness, love and healing. I loved the surroundings, the yoga lessons, the meditation, the food, the beaches, the honest and open talks, the horse therapy, everything... 😊 The Ayuwaska Ritual is not easy to give in words. I just can say, try it ! It brought me a lot of happiness, clarity and even more connection to mother nature. They created a week to see the beauty of our beautiful world and universe. I am very thankful for this week, all this amazing moments and also for the wonderful people I met. Thanks again Claudi and Jim, you are beautiful souls!! I hope to see you again in the future and be back at your little paradise, which you created with a lot of love ❤️ ✨

"A journey connecting with nature"

Jim and Claudia are two wonderful and very welcoming people, together with them and the group you feel like you are inside a family and you are nurtured and cared for by their love for people and for nature and animals. The location is spectacular, in the middle of nature that gives you a great sense of calm. The activities are well planned, fun and very introspective. Highly recommended for both the location and the food, home cooked with lots of love and attention to detail. I thank both of them, and also my group, for the fantastic experience, the new friendships developed, and for helping me on my path of personal growth with their guidance and affection.

"Very friendly and welcoming atmosphere "

Claudia and Jim were very friendly and easy going, but also professional when needed. The program is well structured but not too pressing. It was built up nicely and helped create a good community feeling with the participants and a formation of new friendships. The "experience" was very nicely prepared and was safe. It was all very jolly, wouldn't mind going back again.

Bit more time at the beach would have been nice and maybe we could have done a day of surfing/team building on the beach.

"Perfect Setting"

To embark on ceremony, the 'set' and 'setting' is key. 'Set' - my readiness, was almost there when I arrived, due to my own preparation. The care and attentiveness of Claudia & Jim and their amazing programme through the week, helped me to be 100% prepared! The food was amazing - so delicious, the meditation, hikes, yoga, horse therapy: perfect. 'Setting' - the place, your surroundings - you don't need to worry about this. Claudia & Jim have this 100% sorted for, you just need to turn up. :) A beautiful and serene place, to call home for a week. It's hard to put into words how supported, held and cared for felt from the moment I arrived until the the moment I left. Claudia & Jim - I can't thank you enough for your unconditional love and care and for your fantastic programme you have created in your wonderful home. Thanks again! Much love :) xx

There is nothing I did not like about this retreat. :)

"Trust and let go!"

I had booked this yoga retreat after reading the description and information which told me that Claudia would be teaching a to me new form of yoga and that a day of horse therapy was included.. I was picked up from the bus station by her husband Jim, and when I arrived at their stunning location, I was warmly greeted by Claudia and the three dogs and told that I would have a private yoga retreat as I was the only participant due to circumstances. This was of course an extreme advantage for my experience. I stayed in a wooden cabin with a view of the valley. Every day I had a guided meditation practice with Jim and afterwards Claudia served a delicious breakfast that was put together with so much warmth, love and a touch of spirituality. When Jim took the dogs to the surrounding beaches, I would always join him and marvel at the beauty of the wild coastline. Lunch (and dinner) were an absolute delight, always prepared and presented with so much love for cooking and pampering. After lunch, Claudia would take me to the yoga platform where she took me on a meditative tour, read texts on yoga philosophy and poetry and taught me a new way of incorporating Vayu, the breath, into the asana practice. I was amazed at the physical effects this type of breathing has on the body. The afternoon with the horses was another extreme highlight. I learnt about trust and letting of resistance. After all, the last time I sat on a horse was more than 25 years ago. 😊

There is nothing I can complain about. On the contrary, there's so much more I could write about these wonderful 5 days with Claudia and Jim, about their loving care and hospitality, about the incredibly beautiful location, about the fact that they both seem to live in complete harmony and do exactly what makes them happy. All this radiates! So in short, I am very grateful for this wonderful experience and can only recommend it to everyone.

"Wonderful rejuvenating experience "

From the moment of arrival I was overwhelmed by the peace and love that emanated from both our hosts Jim and Claudia. The beautiful setting along with the well thought-out program has been a truly transformative time for me to reset my body and mind. Amidst a lovely group of fellow acquaintances who became friends over our shared time together, we were daily guided to get to know ourselves deeper and deeper. The daily meditations, hikes and swims with Jim was so beautiful to explore the coastline, and the incredible delicious food lovingly prepared by Claudia kept us energised and ready to go deeper. The way Claudia speaks about and teaches Yoga has stirred me to explore this way of life much more for myself. It felt as if I have made lifelong friends in a very short space of time, and I will forever be grateful for the privilege of being able to have spent time here. Muito obrigado Jim and Claudia!

I am extremely grateful for my experience at Bron voor Rust&Geluk. Claudia & Jim are such warm-hearted people who have created a beautiful environment. The perfect setting to invite you to connect with yourself and with nature. Me and my dog felt very welcome, cared for, and provided with everything we needed. My tipi (equiped with bed and electricity) was comfortable. The meals were prepped with love and both delicious and nourishing. The program was well balanced incl. plant medicine ceremony & preparation, equin therapy, yoga, sun-rise meditations, beach/cliff hikes, sound healing, and Bowen therapy. Jim & Claudia are wonderful hosts and extremely competent in guiding the plant medicine ceremony. I felt very safe, free & loved. Part of a family. All our tribe had a very positive experience. I am looking back on a very warm and joyfull experience. Bless you Jim & Claudia, and Freddie & the other dogs ofcourse! Loads of love!

"What a magical week!"

I've enjoyed the week immensely! Jim and Claudia are truly heartwarming and caring people, who have supported us in many ways and prepared us in the most magnificent way for the ayahuasca ceremony. The program they offer is carefully created for people to have the most wonderful and loving ayahuasca experience, and also all activities are in themselves so lovely and wonderful. I have been doing yoga and meditation for over 15 years but learnt a lot of new techniques from both Jim and Claudia. Also the horse therapy was super insightful and heart opening! Right now I am back in the Netherlands, two weeks after the retreat, and still I am integrating the entire experience.

It was my first time to take the mother plant medicine ayahuasca, and she has healed me on such a deep level, and still I feel the effects from this! It felt like a reset, and now I am slowly and lovingly integrating my experience into my life. I still feel she is with me, especially during the nights, still healing me. All in all it was a LOVELY experience! Before I came, I read a lot of reviews here and everyone was speaking so highly of Jim and Claudia, that I thought it could not be true, but it is all true! They are amazing people and offering this retreat with their hearts and souls. Thank you so much!!

"Beautiful, nurturing and transformative "

Attending the retreat in Aljezur was one of the most wonderful and transformational experiences I have encountered. On our arrival We were warmly greeted by Claudia and Jim and I immediately felt relaxed and comfortable. The natural surroundings are Stunning and calming. Every day was filled with Thoughtful therapeutic activities. Jim and Claudia held with us with such kindness, patients and great care. I found it to be a truly Nurturing and loving environment. Both Jim and Claudia have many years of experience, through their Wisdom and confidence I had several transformative and 'ah ha' Moments. (I did many weeks of inner work and self analysis before hand which prepared me for the wonderfully immense experience). Claudia is such a fabulous chef, and fantastic at supplying meals that were clean, nutritious delicious and incredibly satisfying, I never felt hungry. I feel honoured to have been with them on during my soul journey.

I wasn't disappointed at all. Though a suggestion I would have for others... Do your our preparation, inner work, self analysis (I began the Louise Hay method 3 months before), and be healthy with your diet as suggested, your experience will be much richer and enjoyable.

"Unforgettable, rich experience"

The highlight of my retreat, without a doubt, was the welcoming and warm atmosphere curated by Jim and Claudia and their three wonderful dogs. Their dedication to making every participant feel at ease and connected to the group was remarkable. From the very beginning, I felt like I was part of a close-knit community, and their genuine care and attention allowed me to fully relax and connect. The Ayahuasca ceremony itself was a transformative experience. Jim and Claudia were not only skilled but also deeply compassionate. They ensured that everyone felt safe and comfortable throughout the process. The group dynamic created a sense of unity and mutual support, making the ceremony even more powerful and healing for me. The retreat's serene location in Aljezur added to the overall relaxation. The beautiful green surroundings and peaceful atmosphere provided the ideal backdrop for this kind of retreat. "Fijne week!"

Dit was een hele leuke en bijzondere week. Claudia en Jim zijn lieve, maar bovenal liefdevolle mensen. De paardentherapie was erg interessant en bijzonder wat het teweeg bracht bij mij. De Yoga lessen die Claudia gaf waren leuk en goed te volgen. Door haar tips kan ik nu mijn voeten op de grond krijgen bij de Downward Facing Dog. De kookkunsten van Claudia zijn uitstekend; iedere maaltijd was weer een verrassing en alles was smaakvol. Op verzoek heeft ze haar recepten gedeeld. De strandwandelingen olv Jim waren fijn, hij nam ruim de tijd om mijn vele vragen te beantwoorden. De groep was ook fijn, in een korte tijd leer je elkaar goed kennen; op de hikes en tijdens het eten. Het was bijzonder om samen met deze groep de Ayahuasca te ervaren. Al met al was dit een hele fijne week waarin ik veel heb geleerd. Alles was goed verzorgd en ik kom graag weer terug.

"A retreat of care and thoughtfulness"

Our hosts, Jim and Claudia were genuinely caring and did everything to guide us in this journey through yoga, meditation, equine therapy, detox and the ayahuasca ceremony. Although I have been on many retreats, this was my first with horses and plant medicine and I really enjoyed the way Jim and Claudia joined everything up. I was a bit nervous about using ayahuasca for the first time but I felt completely prepared when the time came and our hosts cared for us all throughout the ceremony. Sleeping in a teepee was novel and I feel the accommodation set up helped me connect more with my surroundings and our hosts ensured we had everything we needed. The walks to neighbouring beaches were also wonderful and the cold water dips were invigorating. As I write this I realise just how much we did in just 6 days! If you are looking for an escape from your hectic life and want to be in the company of hosts who will guide you in connecting to an inner self, this is the retreat for you.

There is nothing I did not like ...even the mosquitos are a reminder that we are in nature! However, maybe bring some repellent and bite cream to stop the itching. Claudia's idea of incorporating some silent moments into the retreat would also be an excellent idea, an opportunity to disconnect from chitchat and work on the mind.

"Amazing!"

Jim and Claudia are the most loved people you can get in the role of instructors. They guided us in such a nice slow, life in the moment pace towards the ceremony on Wednesday. The horse healing, yoga and Reiki were so insightful and beautiful. They do everything by the heart and that is what you experience during the week. The group was also amazing and very open. I will never forget this amazing retreat. It changed my life in a more peacefully and love one.

"Most magical place "

If you are thinking about booking this retreat don't think about it twice! The location is beautiful and Claudia and Jim are going to look after you. I came to the retreat feeling down and lost, and left the retreat recharged and full of love and gratitude. From day one we were treated with like family and all the activities Jim and Claudia prepared for us were just what we needed. Trust them to guide you through your journey and embrace every moment spent there; you are going to miss it. Finding the words to describe the ceremony it's challenging so I can only advise you to go with an open mind and open heart. This experience will be forever in my heart and I am looking forward to repeating it in the future. I have so much love and respect for Jim and Claudia and for what they do- what amazing souls they are. Thank you for sharing your space and love with us, the world needs more people like you! ✨

"Meet the Pacha's. Jim,Claudia,Freddie,Rita...the gang!"

I dont think I can add much more that the previous reviews have not mentioned. You dont get that sort of response from so many people from so many places/backgrounds/ages/cultures without there being a reason. I liked the life giving knowledge that was delivered via the interconnected process and unifying ceremony(powerful). Embrace the light and the dark,the more you 'trust the process',the more you learn. I also had fun and laughter,a key source of energy for me,but the growth came from the more difficult moments,as it does in life. It is a shame that 'all' the animals there,are not included on the instructors list as they tell you so many things once you start learning to listen and learn to there language,inspiring,truly! I find it hard to write/talk about the Ayahuasca and ceremony because I every time I write/say something it isn't enough or right,so two words for now..Eternal Gratitude. let's keep it light though,I got headbutted and then gently kissed by Rita(horse) early one morning,the headbutt made me laugh and the kiss made me cry,you will get some unusual breakthrough moments this was one of mine. Thank you to everyone and thing that was a part of life changing week. Gratitude x Johnny UK

I need more than 1500 characters for this.....:-) Bald jokes,really.?,shame on you Jim,I know that's a wig your wearing! Not enough corn crackers... The crying!!! well at first anyway,then you realize

"A RETREAT FULL OF EXQUISITE SENSORY ELEMENTS"

It was extremely nice to dive into the beautiful countryside of Portugal. Living in a teepee was a new beautiful experiment. We did every day hiking/swimming trips to the most incredibly beautiful places. The nature all around gave "food" for all senses. The food Claudia prepared was beautiful in colors and forms. We were looked after in such a beautiful and considerate way by Claudia and Jim. The dogs and horses and the ayahuasca trip were outstanding. A big recommendation for all nature lovers and life adventurers :-)

"The journey was much more than I could ever expected. "

The nature in Aljezur is amazing; so authentic, fresh and clean. Incredible big rocks at seaside, untouched long beaches, white sand and gentle sun; the place is paradise. There are many peaceful and marked hiking paths. In retreat place is also very unique. Where ever you look - you see beauty. Nights at the teepees was unforgettable experience of strong connection of nature; earth, wind, sun, animals voices, stars... I loved it. Claudia and Jim are really hospitable, friendly, trusty and authentic couple. People with big hearts. Their experience of life and professional skills are great. They took so good care of us all the time. Claudia is also amazing cook - good and beautiful food!! Connection with dogs and horses was also very important to me. I felt so much love, peace, spirit, joy and happiness in this retreat. Thank you all of my heart.

"weer terug bij mezelf"

Ik ben nu twee keer op deze retraite geweest, met yoga en paardentherapie. De tweede keer ben ik gegaan toen ik niet goed in mijn vel zat, al een tijdje overspannen was. Door mijn eerste ervaring wist ik dat ik hier op de goede plek zou zijn, je gaat hier in alles weer terug naar je basis: genoeg slaap, gezond eten, veel bewegen en weer contact vinden met jezelf. Claudia en Jim hebben me ontvangen als familie, en we hebben maar weinig woorden nodig om tot verdieping te komen, ze hebben veel ervaring in wat ze doen en dat voel je. Zij behandelen iedereen met enorm veel respect en stemmen hun benadering echt op de persoon af. Binnen korte tijd creëren zij een groepsdynamiek die veilig en uitnodigend is. De paardentherapie draagt daar ook aan bij. Het omgaan met de groep, met de paarden, de yogalessen en meditatie is een fijne combinatie om uit je hoofd en weer in je lijf te komen. Het (vegan) eten is elke dag een verassing en altijd super voedzaam en gezond. Een aanpassing op verzoek is geen probleem. Weer thuis gekomen voel ik dat ik weer meer terug bij mezelf ben. Voordat ik er heen ging moest ik elke dag huilen, dat is voorbij. Ik weet weer wat mijn kracht is en hoe ik vooruit moet. Je kunt deze retraite met een gerust hart boeken, je zal er geen spijt van krijgen.

Houd er rekening mee dat er muggen zijn, bereid je voor door iets van DEET en antihistamine mee te nemen. Dat is eigenlijk het enige, want verder heb je zelf heel veel invloed op wat je uit de week kunt/wilt halen.

"Getting back in touch with reality"

I booked last minute for the first time in my life going to a retreat. I have been to monasteries abroad, done a lot of yoga and am spending my life close to nature living with horses. I used to think going to retreats is not real.. just stuff for people who are terribly detached from nature. Well, I booked it and was a little afraid that I'll end up in a weirdo spiritually dogmatic place. Claudia and Jim are the opposite! I haven't had so much easy going fun in years. It was such a beautifully light experience. They were the first people ever to manage to get beautiful habits into my every day living. It's not an effort anymore to look after my self. I just love meditation, going for hikes and be by the sea or with the horses every single day in every day life. They allow you to be who you are and give you the present of taking yourself home with you. It's difficult to loose yourself again in every day life after having been with those beautifully honest and generous people. Claudia and Jim: I love what you are doing. It's beautifully right in this estranged world! Give my very best wishes to Manfred and Gudrun, your wonderful neighbours who became part of your beautiful work. See you soon! Love from Ireland ♥

It may sound cheesy, but there wasn't anything I didn't like. Even leaving the place was just right.

"Wunderschöne Erfahrung in der wunderschönen Landschaft "

Claudia und Jim und ihre drei Hündchen haben uns direkt wie Familie aufgenommen. Ich habe mich in dem Tippi sehr wohl gefühlt. Die Umgebung ist naturbelassen und hat wunderschöne Pflanzen und Tiere zu bieten. Jeden Tag gemeinsam mit Meditation in den Tag starten, gesunde Mahlzeiten mit Rücksicht auf Allergiker, Hiking in der Nähe am Strand, schwimmen im Meer, Yogastunden zusammen und Pferdetherapie war einfach wirklich so entspannend. Claudia und Jim stecken sehr viel Herzblut in die Vorbereitung der Zeremonie rein, sodass ich mich von Anfang bis Ende sehr

sicher und behütet gefühlt habe. Hier wird jeder Mensch der sich selbst besser Kennenlernen will und Heilung erfahren möchte sehr viel für sich mitnehmen können. Es ist egal ob man eine spirituelle Reise machen möchte oder nur neugierig ist und etwas abschalten will von Arbeit und der Zivilisation, jeder der sich auf die Reise einlässt wird sehr viel für sich mitnehmen können. Lieben Dank für diese Erfahrung, ich werde euch für immer ins Herz schließen 💞 Liebe Grüße

Claudia and jim created something unique and beautiful...you can instantly feel the warm and loving vibes both of them spread when you arrive at their place. The ambient nature is very relaxing, no noise from highways, trains, cars, planes, etc....only the calming sound of the ocean nearby. Especially the morning meditation with jim on top of a small hill is the most chilled start of a day

you can get :D The food is 100% selfmade and tastes really great. A glass of water kefir after spending the morning on the beach and you are set! I really had a great time with awesome people and i'm looking forward to come back soon.

Claudia and Jim were absolutely beautiful people inside and out. So welcoming from the get go. The way the different therapies and ceremonies connect together is nothing short of magical. Not once when I was there did the money ever cross my mind, because the experience was priceless. It truly was and can be transformative time in your life if you want it to be. The beaches were breathtaking, the therapies where mind-blowing, the food was delicious (detoxing also a great feeling), the ceremony and location was ... (still can't find the words...) let's just say "amazing & perfect". The care they give and the structure in place is a beautiful way to experience plant medicines and I will 10000% be back. Here you are safe, heard, cared for, and in the best hands 🙏. "חוויה של פעם בחיים"

מקום קסום עם מארחים חמים, אכפתיים ורגישים. לקלאודיה וג'ים יש המון ניסיון וידע, והם משתמשים בו בשביל ליצור מרחב בטוח לחוויה מאוד עוצמתית שיכולה להיות משנת חיים. בימים הראשונים הם מכינים את המשתתפים לטקס מכל הבחינות - רגשית, תזונתית, רוחנית וגופנית. בטקס עצמו הם מאוד ערים לצרכים של המשתתפים, תומכים ומלווים בכל מה שצריך. יש להם סבלנות אינסופית, המון הכלה ויכולת לתת תחושה של בית גם באמצע היער. והאוכל מדהים! מאוד מאוד מאוד ממליצה ומאמינה שאחזור בעתיד.

Geweldige week gehad in het natuurgebied van Jim en Claudia. Deze bijzondere mensen zitten vol met positieve energie en geven je een warm welkom. Er was een afwisselend programma met hikes, meditatie bij zonsopgang, yoga, surfen en meer. Met tussendoor heerlijk eten van Hannah, de vrijwilligster. Ik was weer helemaal energized na deze week!

Misschien was het leuk geweest om nog iets meer theoretische uitleg over het surfen te krijgen, maar ook nu heb ik veel geleerd

"Zen vibe, beautiful nature, generous people and amazing food"

The place gives you immediately a spiritual awakening. I am often feeling harried and overwhelmed because i have a million things to do, and it seems like there just aren't enough hours in the day to get it all done. I have been looking for strategies and hacks that I could apply in order to get more done. However, the solution to overwhelm is just the opposite: you should go slower and do less. In other words, what you need to do is look for ways to make your day more zen. That what Claudia's and Jim's place offers . Less is more. If you love nature, animals, beautiful view and amazing food- please book this retreat . True friendship will be made. So take a deep breath and let Claudia and Jim take care of you xxx

I thoroughly enjoyed this retreat. Jim and Claudia held a very safe, warm and welcoming space. They went above and beyond to ensure that I was comfortable, and nothing was too much. The retreat was very well structured with lovely additions such as sound healing and horse riding, and both were on hand for onward and connecting travel. I am very grateful to have met them, and participated in such a wonderful retreat.

I would have liked to participate in two ceremonies to have intensified my experience. Unfortunately, only one was possible. Still- hopefully I'll be back when I can do two!

We hebben mooie paardrijritten gemaakt, wandelingen gemaakt in een mooie omgeving en verbleven in een leuke tipi. Met de meditatie en yogalessen kwam je echt tot rust. Veel activiteiten gedurende de dag en heerlijk (vegetarisch) eten bereid met heel veel liefde. Jim en Claudia zijn hele lieve mensen!

Over het algemeen een hele goede ervaring! Het was nog leuker geweest als er de combinatie van yoga met de paarden meer naar voren kwam (dus bijv. het betrekken van de paarden bij de yogales)

"I had the best time."

A big thank you to Claudia, Jim, Micheal and Gudrun for an amazing retreat. I felt really well taken care of in my time with you. The location was beautiful, the teepees were amazing and very comfy {having a proper bed and electricity in them was a bonus}, the food was delicious and the activities were excellent and fun, { horseriding, yoga, a surf trip, beach walks, a sound healing evening, meditation and a meal/drinks out at the end of the week] But most importantly everyone I met there was very friendly and kind and Claudia and Jim genuinely care about you enjoying your time with them. Also thank you to the dog shaped angels at the retreat. Love and blessings xxx

It was all good!

"Best yoga retreat...will return"

Claudia and Jim are such lovely people, they immediately made me feel like home. I especially enjoyed Claudia's yoga classes which were different than the yoga I had done before. Great experience. Although I booked yoga and horseriding everyone was welcome to join for meditation

and some hikes, so you always have a wide variety of activities to choose from. Vegan food was no problem and always excellent in taste. The tips were a nice surprise, comfortable to sleep in. So overall it was the best decision to book the retreat. I really want to return someday.

Everything was fine

Claudia und Jim schaffen es mit ihrer warmen und herzlichen Art einen einzigartigen Urlaub zu erleben und in die eigene Spiritualität hineinzuhorchen. Das Essen ist selbstgemacht und wirklich toll, sie fahren einen zu den schönsten Orten der Küste und jeden Morgen macht Jim eine Meditation auf dem Sonnenhügel. Ich fühlte mich sehr aufgehoben. Danke!

"A Blessing "

I am grateful and lucky to have found this place. Claudia and Jim are some of the most loving, generous, and most caring people I ever met in my life. Their ability to accommodate and comfort their guests is simply beyond any expectation I had. And they do it with so much love, peace and genuine interest in their guests' happiness. The serenity and beautiful nature embracing this place from inside out is truly uplifting and soothing. Claudia and Jim simply know what it means to be happy and they know how to share it. The hikes and places they took us to were breath taking. I did not expect many of what they shared with us and it was truly an exceptionally generous and loving experience with them.

Ik kan het iedereen aanraden een weekje bij Jim en Claudia te verblijven, het zijn super lieve mensen die met heel veel liefde en passie dit retreat verzorgen. Het eten is heerlijk, de meditatie, de yoga, de hikes, soundhealing, healing en de ayahuasca hebben mij enorm goed gedaan. Maar vooral de begeleiding die erbij gegeven wordt!  Ook de lokatie is goed verzorgd, schoon, lekkere douche, goede bedden met klamboe.

"Expect the unexpected ♥ "

I came to this retreat with a heavy baggage and an ego that was bigger than me. Despite my arrogant behavior and my narrow mind, Claudia and Jim took care of me like no one before. Their patience and their love for Humans truly shows their power and their will to heal the world. They are two angels sent from the skies to help us poor souls to find our way in this world. They changed me. They made me who I'm supposed to be. They unfolded all the layers of toughness to let appear this river of softness I keep hiding from the world. I would spend my life with them if I could but you guys need them as well. So don't hesitate, don't think twice. Go meet those 2 beautiful souls, they are worth every penny, every minute of your time, every ounce of your stored energy.

"Way over the top!"

I loved every minute of my stay in Portugal with Claudia and Jim. I think that everybody takes what they want /need out of the experience, but if you're looking for a real reset, peace and quiet and just take a look at where you're at and where you want to go, then it's an amazing place to start. The place is amazing, the food, the views, the guests with whom I shared my time and of course the hosts, who take care of everyone's needs and wishes, and not forgetting to ask the right questions that led to amazing talks and insights. I'd really like to go back and enjoy what Claudia and Jim have built with so much work and love. Thank you soooo much!

"Absolutely amazing experience - highly highly recommended "

Thank you ever so much Claudia and Jim for the wonderful rest and the serenity I found in your incredible home and surroundings. I was lucky enough to stay in one of the tipis and absolutely loved the peace, tranquillity and serene nature of the overall experience. The environment was so calming, relaxing and gave me a chance to completely reset. The tipi itself was incredible: spacious, cosy, comfortable and such a unique experience. Also the food I had was consistently constantly incredible (thank you!) - healthy, plentiful and absolutely delicious. I was fortunate enough to be the only guest for the majority of my retreat and loved it so much that I chose to stay an extra night as I was enjoying the rest and rejuvenating qualities of the environment. Claudia thank you for the wonderful yoga session that we had and the powerful card reading afterwards, that meant so much

to me. I would recommend this so highly and it was the break and opportunity to find peace and solace that I have not found anywhere else I have ever stayed. Thank you again and I will be back soon!

This trip was amazing! I did not know what to expect before going there but I got so much more! Claudia and Jim are marvellous hosts. They know how to make you feel just like home. Claudia is an amazing yoga teacher. I loved the classes so much. They were at the same time fun and I gained a lot of wisdom yoga 🧘 She really wants you to have the best stay. She is also a very good cook ;) The horse riding instructor is so patient and kind. She makes you feel at ease on the horses. The horses are beautiful! 🐎 Claudia also helped me to feel better on the horse by using yoga. I will treasure the memory of these days and hope to go back in a near future. Thank you so much! I would highly recommend you I go there and enjoy the nature, staying in a tipi, doing yoga, horse riding and much more.

"Magische Momente in der wohlduftenden Natur"

Die Gastgeber Claudia und Jim sind fantastische, liebenswürdige und liebevolle Menschen, die auch den extra Meter machen, um dir das zu geben, was du gerade brauchst. Dies sowohl im praktischen Sinne, wie zum Beispiel kleine Fahrdienste, Kurzwanderungen durch die magische Natur, Frühstückspicknick am Zelt, Essenswünsche, als auch - wenn gewünscht- im Sinne der persönlichen Entwicklung, wie zum Beispiel mit Gesprächen und Büchern. Schön sind auch die Begegnungsmöglichkeiten mit gleichgesinnten Gästen, weshalb sich diese Ferien ideal für Alleinreisende eignet. Besonders für Tierfreunde zu empfehlen: Drei Hunde und Katze begrüßen dich jeden Tag voll Begeisterung. Die Pferde nehmen dich geduldig mit auf Ausritten in der wohlduftenden, schönen Natur. Nach diesen Kurzferien bin ich erfüllt und erholt nach Hause gegangen.

Nicht gefallen ist nicht der richtige Ausdruck, jedoch ist es gut zu wissen, das man hier kein Yoga wie aus dem Yogastudio erwartet,. Sondern viel Wert wird auf die richtige Atemtechnik, die Sitzhaltung und die Meditation gelegt. Dies schlägt sich deutlich nieder in der Einteilung der Lektion: Der aktive Teil mit Adanas ist dadurch im Verhältnis sehr kurz. Dafür lernt man Geduld und Gelassenheit inmitten der Natur im wunderschönen Wald. Alles in allem eine besondere Erfahrung.
